STATE CONTRACTORS' BOARD

NOTICE OF INTENT TO ACT UPON A REGULATION

Notice of Workshop and Hearing for the Adoption, Amendment or Repeal of Regulations
Of
The State of Nevada Contractors' Board

The State of Nevada Contractors' Board ("Board") will hold a workshop and public hearing at the Board's Las Vegas Office located at 4220 South Maryland Parkway, Bldg. D, Las Vegas, Nevada 89118 on Wednesday, July 11, 2001. The workshop will begin at 10:00 a.m. The hearing will begin at 1:00 p.m. The purpose of the workshop and hearing is to receive comments from all interested persons regarding the adoption, amendment or repeal of regulations that pertain to Chapter 624 of the Nevada Administrative Code.

The following information is provided pursuant to the requirements of NRS 233B.060 and 233B.0603:

1. The need for and purpose of the proposed regulation or amendment.

Pursuant to NRS 624.361, the Board shall adopt regulations to provide the form of a written citation issued pursuant to NRS 624.341; time required for a licensee or applicant for a license to correct a condition resulting from an act that constitutes a cause for disciplinary action if he is so ordered pursuant to NRS 624.341; and imposition of an administrative fine pursuant to the provisions of this chapter.

2. Either the terms or the substance of the regulations to be adopted, amended or repealed or a description of the subjects and issues involved.

The proposed regulation sets forth the form of the written citation and the process to be followed once a citation is issued. A copy of the proposed regulation may be obtained by writing the Board's office at 9670 Gateway Drive, Reno, NV 89511.

3. The estimated economic effect of this proposed regulation on the business which it is to regulate and on the public.

(a) Adverse and beneficial effects.

There are no adverse effects. Beneficial effects include providing a streamlined process to discipline a licensee or applicant for a contractor's license for violation of NRS 624.300.

(b) Both immediate and long-term effects.

Immediate and long-term effects include the ability to resolve disciplinary matters in a short amount of time. This will benefit contractors by eliminating the need for lengthy hearings and associated costs thereof.

4. The estimated cost to the Agency for enforcement of the proposed regulation.

The cost of enforcement of the proposed regulation will be minimal since the process will, in many instances, eliminate the need for Board hearings.

5. A description of and citation to any regulations of other state or local governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary.

The proposed regulation does not overlap or duplicate any regulation of other state or local governmental entities.

6. If the regulation is required pursuant to federal law, a citation and description of the federal law.

Does not apply.

7. If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.

Does not apply.

8. Whether proposed regulation establishes a new fee or increases an existing fee.

Does not apply.

Persons wishing to comment upon the proposed action of the Board may appear at the scheduled workshop and public hearing or may address their comments, data, views or arguments, in written form to the Executive Officer of the Nevada State Contractors' Board, 4220 South Maryland Parkway, Building D, Suite 800, Las Vegas, Nevada 89119 or in Reno at 9670 Gateway Drive, Suite 100, Reno, Nevada 89511. Written submissions must be received by the Board on or before Friday, July 6, 2001. If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Board may proceed immediately to act upon any written submissions.

A copy of this notice and the regulations to be adopted, amended or repealed will be on file at the State Library, 100 Stewart Street, Carson City, Nevada, for inspection by members of the public during business hours. Additional copies of the notices and the regulation to be adopted will be available at the State Contractors' Board, 4220 South Maryland Parkway, Building D, Suite 800, Las Vegas, Nevada 89119 and 9670 Gateway Drive, Suite 100, Reno, Nevada 89511. Copies of this notice and the proposed regulation will also be mailed to members of the public upon request. A reasonable fee may be charged for copies if it is deemed necessary.

Upon adoption of any regulation, the Board, if requested to do so by an interested person, either before adoption or within 30 days thereafter, shall issue a concise statement of the principal reasons for and against its adoption and incorporate therein its reason for overruling the consideration urged against its adoption.
