Funds will be used as stipulated by the commission and supporting documents for expenditures will be maintained for audit. Funds will not be co-mingled with other state and local funds and will be accounted for in a manner that will prevent loss of their identity as funds supporting specific construction education goals.

The fiscal and statistical records will be made available upon request for audit by the State of Nevada to determine whether the recipient has properly accounted for funds expended for construction education.

All eligible recipients will provide sufficient information to the commission to enable the commission to comply with the requirements of allocating funds to educational agencies.

An award is not a guarantee of funding. The Commission will not commence procedures for processing grant funding for a minimum of 30 days from the date of the meeting. In the event a grant reconsideration request is received pursuant to the provisions of NAC 624.840(6), the Commission will not process grant funding until the reconsideration request has been decided.
