## **CONTRACTORS BOARD OFFERS FREE BUSINESS ASSISTANCE PROGRAM**

The Nevada State Contractors Board (NSCB) is offering a free “Business Assistance Program” workshop, which provides individuals guidance with the license application process. Licensees considering changing their license may also wish to attend. The workshop will be held at NSCB’s Reno office. Details are listed below:

**WHEN:** January 13, 2012  
10:00 to 11:30 a.m.

**WHERE:** Reno Office  
9670 Gateway Drive, Suite 100  
Reno, NV 89521

**COST:** FREE

Applicants for a contractor’s license receive information to complete the application process quickly and accurately. In addition to the workshop, applicants – upon completion of their application - are given the opportunity to have their applications reviewed by staff before submitting them for approval. Information on locating source documents for the application is also provided, as well as a checklist of state and local agencies and other resources.

NSCB encourages applicants to take advantage of the Business Assistance Program. Many who have attended the program said it was very helpful in their application process. The State of Nevada requires that all contractors be licensed. This includes plumbers, painters, landscapers, electricians, roofers, and many more.
