

Contractors' Alert and Call For Action!

Nevada Contractors are urged to immediately contact the Nevada State Contractors Board at (702) 486-1100, Ext. 1144, if they are approached by **American Electrical Services** or **Fast 60 Minutes Service** to enter into partnerships to conduct business and/or pull permits.

These two companies are being investigated by the Nevada State Contractors Board for allegations of defrauding homeowners through poor workmanship, misrepresentation of services and excessive charging of services. These companies obtain full-page advertisements in local telephone directories and utilize call answering services in California.

The two companies are believed to have operated

in Nevada under the following names: **USA Plumbing & Electrical, 59 Minute Service, 1 Hour Response, USA Home Service and USA Services**

The NSCB revoked U.S.A. Plumbing and Electrical's license on Feb. 21, 2007, for violations of Nevada Revised Statute 624 for misrepresentation of a material fact; fraudulent or deceitful acts; contracting on a name not on the license; failure to include the company name and license number in an advertisement, and failure to establish financial responsibility.

Contractors should immediately contact the NSCB at (702) 486-1100, Ext. 1144, if they have information or are approached by any of the companies listed above.
