**CONTRACTORS BOARD TAKES DISCIPLINARY ACTION  
AGAINST TWO CONTRACTORS**

*(Reno, NV)* - At its meeting on February 10, 2004, the Nevada State Contractors Board adjudicated cases against two (2) licensed contractors.

---

***Western Design and Building***, license number 15110 (Residential and Small Commercial) based out of Gardnerville, Nevada was found in violation of Nevada Revised Statute 624 for substandard workmanship, failure to establish financial responsibility; acting in the capacity of a contractor beyond the scope of the license; and willful departure from plans or specifications. The licensee was assessed the cost of investigation.

---

***Mountain High Landscape***, license number 51052 (Landscape Contracting) of Las Carson City, Nevada was found in violation of Nevada Revised Statute 624 for substandard workmanship; failure to keep records and maintain bond; and failure to comply with a written request of the Board. The Board revoked the license of Mountain High Landscape.

---

***Summary Suspension***

***Aspen Construction***, license number 31011 (Residential and Small Commercial) based out of Reno, Nevada, was summarily suspended by the Nevada State Contractors Board for the health, safety and welfare of the public.

The Board acted under a provision of the Nevada revised Statutes (NRS) 624.291, which gives the Board authority to suspend the license of a contractor without a hearing if the board finds, based upon evidence in its possession, that the public health, safety or welfare imperatively requires summary suspension of the license.
