**Contractor Convicted for Failure to Disclose
Prior Felonies on Application**

(Las Vegas) - Sandy Onofre, owner of OMC Builder and Qualified Employee for CDS Construction Defect Specialists, LLC (both general building contractors based out of Las Vegas), plead guilty to perjury for failure to disclose prior felony convictions on an application for a contractor's license.

Onofre was sentenced by Clark County District Court to 12 to 32-months in Nevada State Prison suspended, two years probation, fined \$1,000, and ordered to pay \$1,800 restitution.

CDS Construction Defect Specialists was licensed on October 14, 2003 and OMC Builder was licensed on July 23, 2002. Both were summarily suspended on August 10, 2004 and revoked on December 7, 2004 due to the misrepresentations of Mr. Onofre.

The Contractors Board is committed to aggressively pursuing cases of misrepresentation by contractors to further ensure the integrity and professionalism of Nevada's contracting industry.
