The licensee was fined \$500; ordered to pay investigative costs and make full restitution to all damaged parties and reimburse the Board for any monies paid out of the Residential Recovery Fund. The license was revoked.

****The Business Review Program is one in which a contractor's business practices and regulatory compliance is examined by NSCB investigative staff. The program is a part of NSCB's proactive investigative efforts.**

The Nevada State Contractors Board is committed to protecting the public's health, safety, and welfare through licensing and regulation of the construction industry. Under Nevada Revised Statutes, a licensee is subject to disciplinary action by the Board for failure to comply with the requirements of the laws or regulations governing contractors. Violations may result in Board action against the contractor's license. The State Contractors Board has the power to regulate contractors and discipline licensees who violate NRS 624. Disciplinary action may consist of a fine of up to \$10,000 per offense, order corrective action, suspension, revocation or other action.
