Jim Alexander Appointed To Contractors Board

Jim Alexander, a resident of Southern Nevada for more than 20 years, has been appointed to the Nevada State Contractors Board by Gov. Jim Gibbons.

Alexander, President of Renaissance Pools & Spas Inc., is a licensed commercial and residential pool contractor with over 39 years experience. He is an active member of the Associated General Contractors, a retired police officer, a Master

Mason and Shriner and a licensed pilot. Alexander has been a licensed pool contractor in California since 1977 and in Nevada since 1991.

"I'm very proud to be appointed to the Board," Alexander said. "The Board does a great job and fulfills an important role in regulating contractors. There are a lot of issues with contractors struggling with money and not playing by the rules. It's necessary to keep people honest. I look forward to supporting the needs and rights of consumers and contractors in this difficult economy."

Alexander is married with three daughters and one son. Two of his daughters work at Renaissance Pools, as well as his wife.

The Board consists of seven members appointed by the Governor. Six are licensed contractors and one member a representative of the public. The members serve three-year terms.
