Contractors Board Executive Officer Margi Grein Receives Southern Nevada Homebuilders Association Award

Las Vegas home builder Nat Hodgson, President of the Southern Nevada Home Builders Association, recently presented Margi Grein, Executive Officer of the Nevada State Contractors Board, with a President's Special Award for Outstanding Service to the Community/Industry at the association's 2011 Installation of Officers and Directors/2010 President's Appreciation Awards Luncheon at the Four Seasons Hotel in Las Vegas.

"As 2010 President, it's my pleasure to be able to present special awards to individuals who have provided special services or opportunities for the home building industry," Hodgson said. "Margi has strived to work with our industry, board members and the public to give a new face to this important agency and make many improvements."

Hodgson said some of Grein's improvements at the NSCB included refining processes, educational programs, the newsletter, Residential Recovery Fund procedures, agency oversight and faster complaint resolution. As part of the NSCB's Strategic Plan, Grein is also implementing one of the Board's goals of reaching out to industry associations.
