STATE CONTRACTORS BOARD

NOTICE OF INTENT TO ACT UPON A REGULATION

Notice of Workshop and Hearing for the Adoption, Amendment or Repeal of Regulations
of
The State of Nevada Contractors Board
LCB File R095-12 and R096-12

The State of Nevada Contractors Board (Board) will conduct a hearing on Thursday, March 13, 2014 at 9:00 a.m. The hearing will be video-conferenced between the Board's Henderson office located at 2310 Corporate Circle, Suite 200, Henderson, Nevada 89074 and the Reno office located at 9670 Gateway Drive, Suite 100, Reno, Nevada, 89521.

The following information is provided pursuant to the requirements of NRS 233B.060 and 233B.0603:

1. The need for and purpose of the proposed regulation or amendment.

The purpose of the proposed regulation is to amend Chapter 624 of the Nevada Administrative Code to add four new subclassifications concerning fountains and water features; telecommunications towers; conveyance of goods; and private fire hydrants. Proposed changes also amend existing language to clarify and streamline the language making it more consistent with current trade practices.

2. Either the terms or the substance of the regulations to be adopted, amended or repealed or a description of the subjects and issues involved.

The proposed regulation adds two new subclassifications to classification 'A' (General Engineering) relating to fountains and water features and telecommunications towers, adds one new subclassification to classification C-14 (Steel Reinforcing and Erection) concerning conveyance of goods, and adds one new subclassification to classification C-41 (Fire Protection) concerning private fire hydrants. Additional amendments seek to clarify and streamline language within classifications A (General Engineering), C-2 (Electrical), C-3 (Carpentry), C-4 (Painting & Decorating), C-15 (Roofing & Siding), C-16 (Finishing Floors), C-36 (Installing Urethane), C-38 (Installing Equipment used with Liquefied Petroleum and Natural Gas), and NAC 624.580 (License to build upon or improve own commercial property). A copy of the proposed regulations may be obtained by visiting our website at www.nscb.nv.gov or writing to the Board's offices.

3. The estimated economic effect of this proposed regulation on the business which it is to regulate and on the public.

(a) Adverse and beneficial effects.

The adoption of the regulation should not result in any adverse economic effects on either the licensee or the general public. Many of the proposed changes to subclassifications expand upon existing authorities of the licensee with regard to current products and industry standards.

(b) Both immediate and long-term effects.

The immediate and long term effect of implementing the change should be beneficial since it will more accurately explain the work allowed under the classification.

4. **The estimated cost to the agency for the enforcement of the proposed regulation.**
Cost to the agency should be minimal.
5. **A description of and citation to any regulations of other states or local governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication and overlapping is necessary.**
The proposed regulation does not overlap or duplicate any regulation.
6. **If the regulation is required pursuant to federal law, a citation and description of the federal law.**
Does not apply.
7. **If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.**
Does not apply.
8. **Whether proposed regulation establishes a new fee or increases an existing fee.**
The regulation does not establish a new fee or increase an existing fee.

Persons wishing to comment upon the proposed action of the Board may appear at the scheduled public workshop or may address their comments, data, views or arguments, in written form to the Executive Officer of the Nevada State Contractors Board, 2310 Corporate Circle, Suite 200, Henderson, Nevada 89074 and the Reno office located at 9670 Gateway Drive, Suite 100, Reno, Nevada, 89521.
