Business Assistance Program Aids Contractors

The Nevada State Contractors Board "Business Assistance Program," established to provide guidance with the license application process, is now accepting reservations for upcoming workshops. These instructional workshops are conducted monthly at the Board's offices in Southern Nevada, 2310 Corporate Circle, Suite 200, Henderson; and bimonthly in Northern Nevada, 9670 Gateway Drive, Suite 100, Reno.

Applicants for a contractor's license receive information to complete the application process quickly and accurately.

In addition to the workshop, applicants - upon completion of their application - are given the opportunity to have their applications reviewed by staff before submitting them for approval. Information in locating source documents for the application is also provided, as well as a checklist of state and local agencies and other resources.

The NSCB encourages applicants to take this *free* Business Assistance Program. Many who have attended the program said it was very helpful in their application process. The State of Nevada requires that all contractors be licensed. This includes plumbers, painters, landscapers, electricians, roofers, and many more.

For information on available workshop dates, contact Lisa Bedsole, licensing consultant, at: (702) 486-1100, ext. 1120; or (775) 688-1141, ext. 1120 or by e-mail at: lbedsole@nscb.state.nv.us
