## State Contractors Board Celebrates the Life of Former Board Member Doug Carson

**Henderson, Nev.** – Today, the Nevada State Contractors Board (NSCB) celebrates the life of Doug Carson, former NSCB member, who passed away July 29 following a brief illness. Carson served on the Board from 1997 to 2003 and was a member of the Commission on Construction Education from 2004-2007.

“Doug was a selfless man with high integrity and a passion for educating, mentoring, and inspiring all he came into contact with,” stated Margi Grein, Executive Officer of NSCB. “His tenure with the Board was no exception. We extend our deepest condolences to Doug’s family and friends during this difficult time. He will be greatly missed.”

Carson was a valued member of the Board and a leader in the construction industry. He became president of Carson Construction, his father’s business, in 1974 at the age of 24 after working his way up the ranks. Expanding his participation in the industry, Carson joined the Association of General Contractors Las Vegas Chapter Board of Directors in 1988, serving as president in 1993, and concluded his service in 2000.

Later, Carson became involved with the Industry Advisory Board University of Nevada, Las Vegas Construction Management program where he mentored contractors with various levels of industry experience. Carson spent his entire life working with and supporting a variety of industry organizations as well as youth programs throughout the state. His dedication and commitment to excellence made him the community leader many turned to in times of need and guidance.

Carson’s services are being held today at Palm Eastern Mortuary at 1 p.m. In lieu of flowers, Carson’s family has requested donations be sent to the Leukemia Research Foundation: 3520 Lake Avenue, Suite 202, Wilmette, IL 60091-1064 or online at [www.leukemia-research.org](http://www.leukemia-research.org).
