CONTRACTORS BOARD WELCOMES TIMOTHY GESWEIN AS GENERAL COUNSEL

RENO and HENDERSON, Nev. – The Nevada State Contractors Board (Board) has hired Timothy (Tim) Geswein, Esq. to serve as the Board’s general counsel.

“The Contractors Board set out this year to establish an in-house Legal Department as part of its Strategic Plan initiatives, and we are pleased to have Mr. Geswein fill this position,” expressed Executive Officer Margi A. Grein. “Mr. Geswein brings with him the legal expertise necessary to manage the variety of issues experienced by the Board, while his background as a civil engineer further expands upon his resourcefulness. We welcome Mr. Geswein and look forward to the value he will bring to our daily operations.”

“Providing general counsel services to the Contractors Board is a new and welcomed opportunity in my career,” stated Geswein. “I am eager to engrain myself in the statutes and regulations that govern the Board and the construction industry and begin advising the Board on matters of legal importance.”

Geswein has a Bachelor of Science in Civil Engineering from Rose-Hulman Institute of Technology, a Master’s in Business Administration from Indiana University, and a Juris Doctor from the University of Nevada, Las Vegas. Geswein has over 12 years of civil litigation experience in the areas of business, premises liability, and personal injury. He is also a licensed civil professional engineer in Nevada.
