CALIFORNIA IN NEED OF WELL DRILLERS **EXPEDITED LICENSING AVAILABLE**

HENDERSON and RENO, Nev. – The California Contractors State License Board (CSLB) has requested the Nevada State Contractors Board notify all licensed contractors for well drilling of an emergent need for these services in California. As stated in their Industry Bulletin, CSLB is working to expedite applications for the C-57 Well Drilling classification.

Any interested contractors should contact CSLB's Classifications Deputy at (916) 255-4118 or waterwellinfo@cslb.ca.gov.

You are also encouraged to **participate in a conference call taking place Friday, September 12, 2014** at 7:00 a.m. to discuss well drilling regulations and expanding access to ground water in California. Call-in number is (866) 640-4044. Passcode: 62224.

Please visit our website to read additional information provided by CSLB.
