**Three Unlicensed Contractors Added
To NSCB'S Ten Most Wanted In Southern Nevada**

Daniel Hinchcliffe Kendall Cole Jorge Gomez

Daniel Hinchcliffe, Kendall Michell Cole and Jorge Gomez have been added to the Nevada State Contractors Board's Ten Most Wanted in Southern Nevada. Hinchcliffe currently

has a felony warrant issued on him from Clark County Justice Court for *obtaining money under false pretenses* and a misdemeanor warrant for *contracting without a license*.

Hinchcliffe had previously worked for two licensed contractors and allegedly contracted to do electrical work and accepted money from commercial business owners under the guise of still being employed by these licensed contractors.

Cole, dba Advanced Glazing and Design and West Coast Sunrooms, has a warrant issued on him from Las Vegas Justice Court of *diversion of funds* and *contracting without a license*. He allegedly builds sunrooms and patio additions, takes the money and doesn't complete the work.

Gomez, dba Vegas Ornamental Iron, allegedly installs ornamental fencing that doesn't meet industry standards. He has a felony warrant issued on him from Clark County Justice Court for *obtaining money under false pretenses* and a misdemeanor warrant for *contracting without a license*.

The Investigations Unit of the Nevada State Contractors Board is hard at work tracking and citing offenders and informing the public of their rights and responsibilities. To assist in prosecuting illegal contracting, the Nevada State Contractors Board has launched an online "Ten Most Wanted." Individuals listed on the Ten Most Wanted website pages are those who have outstanding arrest warrants for unlicensed contracting activity. Contractors and members of the public can go online at www.nscb.state.nv.us and click "Ten Most Wanted" on the quick-link menu to review suspect's profiles. The website includes contact numbers to provide information about the individuals profiled.

The person(s) listed on the Nevada State Contractors Board Ten Most Wanted website and in press releases have not been convicted of the charges and are presumed innocent.

Homeowners who use the services of a revoked or suspended contractor are not eligible for recovery of their damages through the Residential Recovery Fund. The NSCB urges the public to hire only licensed contractors in good standing with the Board.
