PERSONAL INDEMNIFICATION INSTRUCTIONS AND REQUIREMENTS

An indemnification agreement allows the board to consider the financial strength of an individual or entity in addition to the applicant. Indemnification is not required; however, it provides an option to an applicant who may not otherwise qualify for a state contractor's license, or increase in monetary limit for an existing license. The agreement must be on a form prescribed by the board, and accompanied by financial documents as set forth below.

- 1. Indemnification Agreement: Provide a completed indemnification agreement specific to the entity indemnifying the license. Corporations and Limited Liability Companies must also provide a resolution executed by the indemnifying Corporation or Limited Liability Company authorizing the execution of this agreement.
- 2. Financial Statement Requirements: The indemnitor must submit a current financial statement (statement) that meets the following criteria:

For License Monetary Limits of \$25,000 or less the indemnitor must provide one of the following:

- A current financial statement prepared by an independent certified public accountant; or
- A current financial statement submitted on a form prescribed by the Board (available on the Board's website www.nscb.nv.gov, click on contractor forms); or
- A current financial statement (Balance Sheet) prepared using accounting software in accordance with generally accepted
 accounting principles and accompanied by an affidavit that verifies the accuracy of the financial statement.
 - *To prevent a delay in the processing of your application, if you are unfamiliar with preparing your own financial statement, you are encouraged to seek the advice of an Accountant.

Note: Self-prepared or compiled statements must be current to within six months from the date the application is received.

For License Monetary Limits more than \$25,000 but less than \$500,000 the indemnitor must provide one of the following:

- A compiled financial statement prepared by an independent certified public accountant, current within 6 months from the date the application is received; or
- A reviewed or audited financial statement, prepared by an independent certified public accountant, current within one (1) year from the date the application is received.

For License Monetary Limits of \$500,000 or more but less than \$1,000,000 the indemnitor must provide one of the following:

- A compiled financial statement with full disclosures, prepared by an independent certified public accountant, current within 6
 months from the date the application is received; or
- A reviewed or audited financial statement, prepared by an independent certified public accountant, current within one (1) year from the date the application is received.

For License Monetary Limits of \$1,000,000 or more: the indemnitor must provide a financial statement that is prepared and reviewed or audited by an independent certified public accountant, current within one (1) year from the date the application is received.

3. Dissolution or Bankruptcy: If indemnitor has dissolved or filed for bankruptcy protection, notification must be provided to the Board.
