Re: LCB File No. R030-24

Dear Ms. Broili-Kamesch,

A regulation adopted by the State Contractors' Board has been filed today with the Secretary of State pursuant to NRS 233B.067 or 233B.0675 as appropriate. As provided in NRS 233B.070, this regulation becomes effective upon filing, unless otherwise indicated.

Enclosed are two copies of the regulation bearing the stamp of the Secretary of State which indicates that it has been filed. One copy is for your records and the other is for delivery to the State Library and Archives Administrator pursuant to subsection 6 of NRS 233B.070.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Killian".

**APPROVED REGULATION OF THE  
STATE CONTRACTORS' BOARD**

**LCB File No. R030-24**

Filed September 16, 2024

EXPLANATION – Matter in *italics* is new; matter in brackets [~~omitted material~~] is material to be omitted.

AUTHORITY: §§ 1 and 2, NRS 624.100 and 624.220.

A REGULATION relating to contractors; revising provisions governing the subclassifications of certain licenses; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires the State Contractors' Board to adopt regulations necessary to effect the classification and subclassification of contractors consistent with the established usage and procedure found within the construction business. (NRS 624.220) Under existing regulations, a contractor who holds a license designated classification C-3 or C-14 may engage in the specialty of carpentry, maintenance and minor repairs or the specialty of steel reinforcing and erection, respectively. (NAC 624.210, 624.310) **Section 1** of this regulation specifies that the installation and repair of doors and windows under a C-3a subclassification includes door and window frames made of certain materials. **Section 2** of this regulation specifies that the installation and repair of doors and windows under a C-14e subclassification includes door and window frames made of metal or wood.

**Section 1.** NAC 624.210 is hereby amended to read as follows:

624.210 1. The Board will grant to qualified applicants a license in the specialty of carpentry, maintenance and minor repairs. The Board designates such a license as "classification C-3." A person who holds a license designated classification C-3 may perform any of the work authorized for the subclassifications of the classification C-3.

2. The subclassifications of a license designated classification C-3 and the work authorized for persons licensed in the respective subclassifications are:

(a) CARPENTRY AND REPAIRS (subclassification C-3a): The construction of form work, framing or rough carpentry necessary to construct framed structures, the installation or repair of individual components of framing systems, rough carpentry or associated work, including the construction or installation of subflooring, siding, exterior staircases and railings, roof decking, truss members and sheathing, and the fabrication, installation and repair of wood and wood products for structural and finishing purposes, such as doors, windows, cabinets and fixtures. ~~[Studs]~~ *Doors, door frames, windows, window frames, studs* and other members within this subclassification may be made of wood, formed sheet metal, vinyl, aluminum and similar products that emulate traditional milled wood and which may be installed or used with traditional methods of carpentry joinery such as glue, nails, screws and bolts and which do not require welding or other similar forms of joining.

(b) FINISH CARPENTRY (subclassification C-3b): The installation, repair and finishing of cabinets, sash casing, door casing, wooden flooring, baseboards, countertops and other millwork. Finish carpentry does not include the installation of ceramic tile, marble and artificial or cultured stone.

(c) INSULATION AND WEATHER STRIPPING (subclassification C-3c): The installation of material used for the insulation of buildings and the application of weather stripping and caulking for the internal control of the effects of weather, including, without limitation, the installation of firestop systems.

(d) OVERHEAD DOORS (subclassification C-3d): The fabrication, erection and installation of guides, counterweights, tracks, weather stripping, automatic and manual controls, and all other apparatuses and equipment appurtenant to the efficient installation and operation of overhead doors.

(e) DRYWALL (subclassification C-3e): The installation, taping and finishing of drywall, panels and assemblies of gypsum wallboard, sheathing, acoustical tile and studs made of sheet metal for the framing of ceilings and nonstructural partitioning.

**Sec. 2.** NAC 624.310 is hereby amended to read as follows:

624.310 1. The Board will grant to qualified applicants a license in the specialty of steel reinforcing and erection. The Board designates such a license as a "classification C-14" license. A person who holds a classification C-14 license may perform any of the work authorized for the subclassifications of the classification C-14 license.

2. The subclassifications of the classification C-14 license and the work authorized for persons licensed in the respective subclassifications are:

(a) REINFORCING STEEL (subclassification C-14a): The fabrication, placement and tying of steel reinforcing bars (rods), and post-tensioning to reinforce concrete buildings and structures.

(b) STRUCTURAL STEEL (subclassification C-14b): The fabrication and erection of structural steel shapes and plates used as structural members, or tanks, including any connected riveting, welding and rigging.

(c) ORNAMENTAL METAL (subclassification C-14c): The assembling, casting, cutting, shaping, stamping, forging, fabricating and installing of metals for the architectural treatment,

ornamental decoration or security of structures, but does not include the work authorized by a classification C-13 license issued by the Board in the specialty of using sheet metal.

(d) CURTAIN WALL (subclassification C-14d): The installation of such materials as are generally accepted by contractors for use as curtain wall materials.

(e) ~~METAL~~ DOORS AND WINDOWS (subclassification C-14e): The installation *and repair* of ~~metal~~ doors ~~and~~, *door* frames, ~~and metal~~ windows and *window* frames ~~+~~ *made of metal or wood.*

(f) STORE FRONTS (subclassification C-14f): The construction of window walls in the fronts of stores and the installation of lightweight metals to a height not exceeding 25 feet from the threshold of the entrance on the ground floor of the store.

(g) PREFABRICATED STEEL STRUCTURES (subclassification C-14g): The construction of structures made of prefabricated steel for the support, shelter or enclosure of persons, animals or other chattels.

(h) AWNINGS AND LOUVRES (subclassification C-14h): The fabrication and installation of awnings and louvres made of wood, fabric, plastics, metal or other acceptable products.

(i) RIGGING AND CRANES (subclassification C-14i): Rigging as it is customarily accepted by contractors and the operation of cranes.

(j) CONVEYANCE OF GOODS (subclassification C-14j): The fabrication and installation of conveyor systems, dock levelers and pallet racks designed to transport and move goods and freight, including any appurtenant controls, devices and equipment. The provisions of this paragraph do not authorize a holder of a subclassification C-14j license to install electrical wiring

or supply electrical power to conveyor systems, dock levelers or pallet racks designed to transport and move goods and freight.

## INFORMATIONAL STATEMENT OF ADOPTED REGULATION AS REQUIRED BY ADMINISTRATIVE PROCEDURES ACT, NRS 233B.066 LCB FILE NO. R030-24

The following statement is submitted for adopted amendments to the Nevada Administrative Code (NAC) Chapter 624 in compliance with NRS 233B.066.

**1. A clear and concise explanation of the need for the adopted regulation.**

The purpose of the proposed regulation is to amend Chapter 624 of the Nevada Administrative Code to provide clarity regarding type of work and material used under the subclassifications C-3a and C-14e to include door and window frames made of metal and wood.

**2. A description of how public comment was solicited, a summary of the public response and an explanation of how other interested persons may obtain a copy of the summary.**

**a) A description of how public comment was solicited:**

The notice of workshop and notice of hearing to solicit comments on the proposed regulation was posted on the agency's website and on the Nevada Public Notice Website, State Library and Archives, both offices of the Nevada State Contractors Board. Additionally, the notice of workshop and hearing, and the proposed regulation were e-mailed electronically to approximately 498 individuals and organizations who have expressed interest in being kept informed of the Board's meetings. Public comment was solicited in the Notice of Workshop and Hearing which included the proposed regulation and small business impact statement.

Public comment was also solicited at the workshop held on May 6, 2024 and at the hearing held on May 21, 2024. The public workshop and hearing took place at the office of the Board, 8400 West Sunset Road, Suite 150, Las Vegas, Nevada 89113 with simultaneous videoconferencing with the Board's office, 5390 Kietzke Lane, Suite 102, Reno, Nevada 89511.

**b) A summary of the responses from the public:**

No responses were received from the general public.

**c) An explanation of how other interested persons may obtain a copy of the summary:**

Not applicable

**3. The number of persons who:**

Attended each hearing: 0

Testified at each hearing: 0

Submitted to the agency written statements: 0

**4. Names & Addresses of persons either submitting written statements or testimony:**

None.

**5. A description of how comment was solicited from affected businesses, a summary of their response and an explanation of how other interested persons may obtain a copy of the summary.**

**a) A description of how public comment was solicited:**

Comments were solicited from affected businesses in the same manner as they were solicited from the public. Please see the description provided above in response to #2(a).

**b) A summary of the responses from the affected businesses:**

No responses were received from affected businesses.

**c) An explanation of how other interested persons may obtain a copy of the summary:**

Not Applicable

**6. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.**

The regulation was adopted without changing any part of the proposed regulation since no public comment was received at the workshop or hearing and no written comments were received by the agency.

**7. The estimated economic effect of the regulation on the business which it is to regulate and on the public.**

**a. Both adverse and beneficial effects;**

This regulation is not expected to have any adverse or beneficial effects on the businesses it regulates or on the public.

**b. Both immediate and long-term effects.**

The immediate and long-term effects of this regulation will result in more streamlined, clarified, reduced and improved existing regulations.

**8. The estimated cost to the agency for enforcement of the proposed regulation.**

The proposed regulation will not result in any cost to the agency.

**9. A description of any regulations of other State or governmental agencies which the regulation overlaps or duplicates and a statement why the duplication or overlap is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.**

The proposed regulation does not overlap or duplicate any regulation.

**10. If the regulation includes provisions that are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.**

There are no federal regulations that apply.

**11. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.**

This regulation does not establish a new fee or increase an existing fee.
