'TIS THE SEASON FOR GIVING! HELP PROMOTE WORKFORCE DEVELOPMENT AMONG FUTURE GENERATIONS WITH DONATIONS OF GENTLY USED TOOLS & SUPPLIES

One of the greatest things about the holiday season is the opportunity to give and do something meaningful for others. This year, the Nevada State Contractors Board is asking for your help as we begin a Tools Drive to support our local area construction high school programs, and we thank you in advance for your donations! Download, post, and share the Tools Drive flyer from the NSCB website at: <https://www.nvcontractorsboard.com/wp-content/uploads/2024/12/Tools-Drive-4.png>.

The future of our industry is fostered by the dedicated efforts of elementary, middle and high school teachers. Beyond reading about the various construction trades and learning what they do, it is the hands-on curriculum that sparks passion, interest, and commitment to pursue a career in construction after high school.

What better way to show our future workers the value and generosity of our industry than to gift them with tools and supplies that will support and promote their success throughout the duration of their apprenticeship classroom trainings. Below is a suggested list of items we are looking for, but please feel free to donate any tools you may have in surplus or are looking to replace in the year ahead.

If you have a large volume of tools, please contact the NSCB offices to coordinate your drop off. The Tools Drive is in effect now through the end of December. All donations should be taken to your local Nevada State Contractors Board office: **Southern NV:** 8400 W Sunset Rd Suite 150, Las Vegas, NV 89113; **Northern NV:** 5390 Kietzke Lane, Suite 102, Reno, NV 89511

- Hammers
- Screw drivers
- Speed squares
- Chalk lines
- Tool belts
- Hard hats
- Safety glasses
- Tape measures
- Carpenter pencils
- Ear plugs
- Gloves
